SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

### HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

**W**HEREAS an application has been filed with the Department of the Interior by the Corporation of the City of Salmon Arm, British Columbia, for the reservation from homestead entry, sale, or other disposition which would endanger the waters of East Canoe Creek to contamination certain areas lying within that watershed which is situated in Township 20, Range 19 west of the 6th meridian; and

Whereas a joint investigation on the entire situation has been made by the local Agent of Dominion Lands and the Divisional Engineer of the British Columbia Hydrometric Survey, who report that the areas applied for comprise the watershed of East Canoe Creek, from which the city's domestic water supply is obtained, and that they are of a rough mountainous character, generally unfit for agriculture, and should therefore be reserved by the Crown from any disposition which would be liable to affect the purity of the waters of the stream; and

Whereas the Corporation of the City of Salmon Arm have already secured from the Provincial Water Rights Branch at Victoria the necessary water rights for the diversion and use of the waters of East Canoe Creek for domestic and other purposes, and have constructed a pipe-line for the carriage of these waters to the town which is already in operation:

Therefore His Excellency the Governor-General in Council is pleased to order and it is hereby ordered that the following lands comprising that portion of the drainage basin of East Canoe Creek

which are required in order to adequately protect the waters of this stream from contamination shall be withdrawn from homestead entry or sale; and further that if at any time it is desired to deal with any portion of the areas so reserved in connection with any undertaking, special authority from the Minister of the Interior must first be obtained, and any rights or privileges so granted shall be subject to such provisos and conditions as he may consider necessary in order that the purity of the water supply for the City of Salmon Arm may be retained:—
